

# Big Claw Maritime, Inc.

Marine Transportation Services • Inland & Coastwise Towing

Equipped to handle most any towing projects in Puget Sound, the West Coast from Southern California to Western Alaska. We can handle special project cargo, such as the tow of the America's Cup racing sailboat "II Moro" via barge to Surrey B.C. and the tow of an inland construction barge from the Columbia River to Seattle, WA., plus numerous barge movements in Puget Sound.

- The tug *Earnest* is 1200 horsepower
- We are fully insured for coastal and inland barge movements
- The tug *Earnest* is equipped for line haul, alongside, and push style barge handling
- Most experienced crew
- No job too big or too small
- Based in Seattle, Washington
